CDD – NIPAS & PAMB Management System manuscript:

Welcome to the new DENR PAMB and NIPAS management database. This will serve as your guide on how to use the website properly.

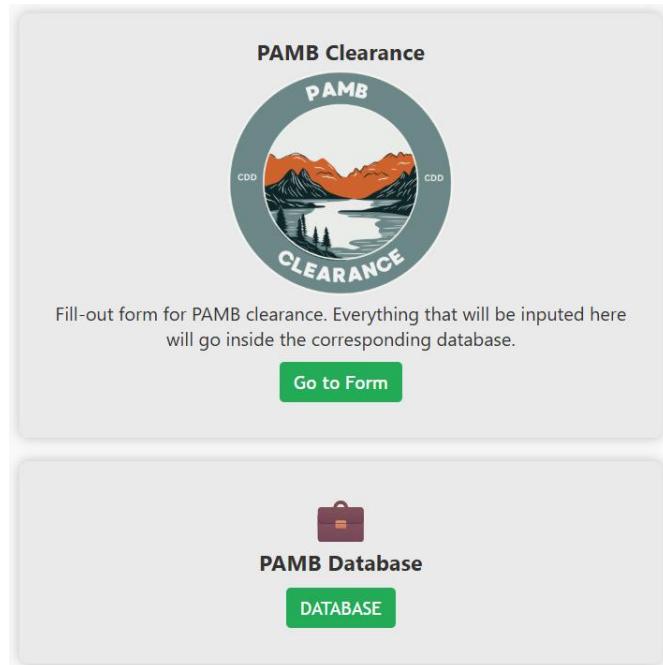

Main Page:

In here you can see all of the functions that this website offers. It can tell you the Time & Date, Mission & Vision, About page, Calendar and the Database and Input form for NIPAS and PAMB. The calendar allows users to view and manage important dates, events, and deadlines. Users can click on a date to see event details, add or edit entries, and receive reminders for upcoming activities. Lastly, when clicked "how to" button, this displays a helpful user guide explaining how to navigate and use the website. The guide typically includes step-by-step instructions, illustrations, and explanations of each feature to assist first-time or returning users.

The screenshot shows the homepage of the CDD - NIPAS & PAMB Docu Management System. At the top, there's a green header bar with the system name, the date (Wednesday, May 14, 2023), and time (10:35:20 AM). There are also 'How To' and 'Log-out' buttons. Below the header is a large green banner featuring the DENR-CALABARZON logo, the text 'CDD PAMBCS', and 'NIPAS & PAMB'. The main content area is titled 'Fill-out & Database' and contains four cards: 'PAMB Clearance' (with a 'Go to Form' button), 'NIPAS Certification' (with a 'Go to Form' button), 'PAMB Database' (with a 'DATABASE' button), and 'NIPAS Database' (with a 'DATABASE' button). At the bottom is a 'Calendar' section showing the month of May 2025. The footer contains links for Company (About, Mission, Vision), Community (Official Website), and copyright information (© 2022 DENR Region 6).

PAMB:

Here we can see 2 buttons, PAMB and Database. By clicking PAMB, you will be redirected to another page that enables you to input information to put in the database.

After filling-up the form just click submit and the page will refresh and you will see the ID change to indicate that you have successfully added new data for the database.

To check the database, click the "back" button then click the "Database" button.

PAMB Clearance Form

ID: 9

Clearance No: Name Of PA:

Proponent: Purpose:

Resolution No:

Resolution Title:

[Large empty text area]

In here you can see the search bar, Download (PDF or XLSX), Delete, Update, and Download PDF button.

The screenshot shows a web-based application titled "PAMB Clearance Records". At the top, there are two buttons: "Download PDF" and "Download XLSX". Below them is a search bar with the placeholder "Enter keyword...". A dropdown menu labeled "All Columns" is open, showing options like "All Columns", "ID", "Clearance No.", "Proponent", "Resolution Title", and "Resolution No.". To the right of the search bar are filters for "From" and "To" dates, and a "Search" button. The main area displays a table with 8 entries. The columns are: Proponent, Purpose, Resolution No., Resolution Title, PAMB Meeting Date, Description, Terms & Conditions, Restrictions, Date Released, and Actions. The first entry in the table is as follows:

Proponent	Purpose	Resolution No.	Resolution Title	PAMB Meeting Date	Description	Terms & Conditions	Restrictions	Date Released	Actions
Mildred L. Visaya of Skymount Resort	Obtainment of the Corresponding Permits from the Concerned Agencies	PAMB Resolution No. 26, Series of 2024	Kapasiyahan ng Protected Area Management Board (PAMB-PP) na Pinahihintulutan na Mabigyang...	3rd Regular PAMB-PP 1636 Meeting held on August 09, 2024	Skymount Resort is a 10,000-square-meter development located within Matikas Farm Compound,...	1. Environmental Impact Assessment (EIA) or Environmental Compliance Certificate (ECC...)	This PAMB Clearance shall be valid for a period of one (1) year from the date of its issua...	June 5 2025...	<button>Delete</button> <button>Update</button> <button>Download PDF</button>

At the bottom right of the table, there are navigation buttons: "Previous", "1", "2", and "Next".

○ Search Bar

The search bar allows you to search Id, Clearance Number, Proponent, Resolution Title, Resolution Number, PAMB Meeting Date and Date Released of a specific data that you want to see. Another feature of the search bar is its filter function where you can filter out the specific attribute that you want to search. For example, if you want to search laguna specifically on "location" you can just click the location on the filter so that it will only show laguna on the location category.

○ Download All (PDF or XLSX)

By clicking this, you will be able to download all the data from this database in a PDF and XLSX format. Plus, with the filter function you can filter out which data you want to be downloaded in bulk.

○ Edit

This will allow you to edit each information inside the database. This will help you whenever you enter the wrong data or things change in the future.

○ Delete

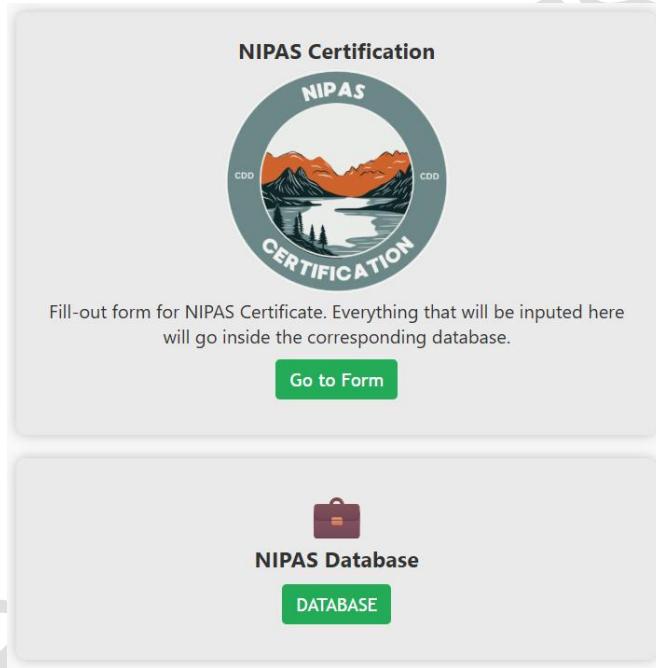

This will allow you to delete specific row inside the database.

Download PDF

This will download the specific row of data inside the database and turning it into the PAMB Clearance format. *Note: whenever you want change the format inside the pdf, you can convert it into word by using PDF to Word websites.

NIPAS:

This is the same as the PAMB where we have 2 buttons, the NIPAS and Database. They serve the same way at the previous buttons but now it leads you to the NIPAS fill-up form and the NIPAS database.

After filling-up the form just click submit and the page will refresh and you will see the ID change to indicate that you have successfully added new data for the database.

to check the database, click the "back" button then click the "Database" button.
