

# CDD – NIPAS & PAMB Management System manuscript:

This will serve as your guide on how to use the Admin page properly.

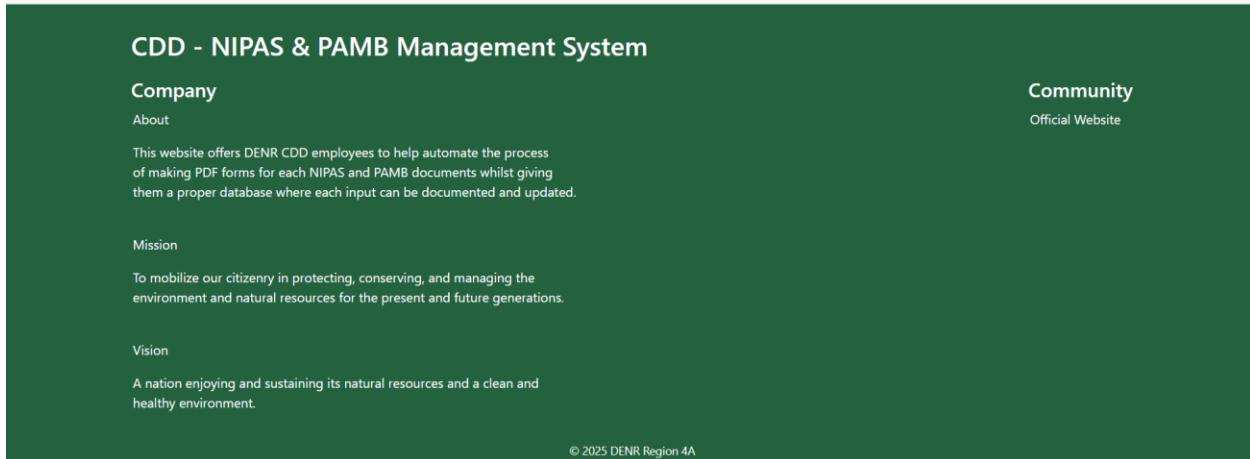

## Main Page:

On this page, you can explore all the features and functionalities that this website has to offer. These include the **Create Account** option, access to the **PAMB** (Protected Area Management Board), and the **NIPAS** (National Integrated Protected Areas System) Database. Additionally, the platform provides information on all existing user accounts, allowing you to manage and monitor registered users efficiently.

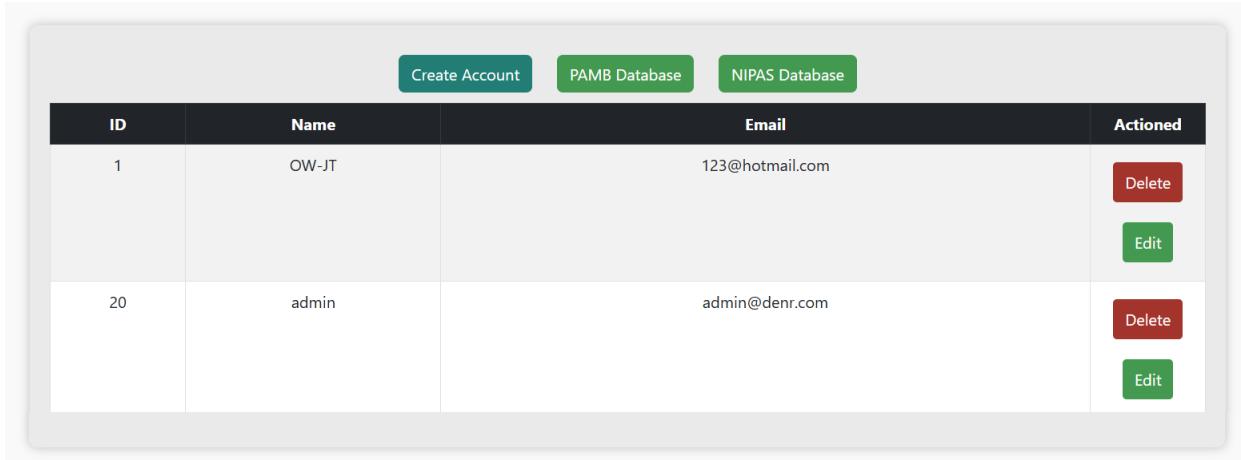

The screenshot shows the Admin interface of the CDD - NIPAS & PAMB Management System. At the top, there is a navigation bar with a logo, the title "CDD - NIPAS & PAMB Management System", the date and time "03:28:40 PM Monday, May 26, 2025", and two buttons: "Download Manuscript" and "Log-out". Below the navigation bar is a user management table. The table has columns for "Name", "Email", and "Actioned". It lists three users: "admin" (Email: admin@denr.com), "HEHE BALIW" (Email: 1234@hotmail.com), and "jeff" (Email: jeff@denr.com). For each user, there are "Delete" and "Edit" buttons in the "Actioned" column. At the bottom of the table, it says "Showing 1 to 3 of 8 entries" and includes "Previous" and "Next" navigation buttons.

Name	Email	Actioned
admin	admin@denr.com	<button>Delete</button> <button>Edit</button>
HEHE BALIW	1234@hotmail.com	<button>Delete</button> <button>Edit</button>
jeff	jeff@denr.com	<button>Delete</button> <button>Edit</button>

The screenshot shows the homepage of the CDD - NIPAS & PAMB Management System. The header displays the system's name. Below the header, there are sections for "Company" (with "About" and a description of automating PDF form creation), "Community" (with a link to the "Official Website"), "Mission" (with a description of protecting, conserving, and managing the environment and natural resources), and "Vision" (with a description of a nation enjoying and sustaining its natural resources and a clean and healthy environment). At the bottom, a copyright notice reads "© 2025 DENR Region 4A".

**This section outlines the capabilities of the admin:**

The admin has access to the PAMB (Protected Area Management Board) and the NIPAS (National Integrated Protected Areas System) Database. They can view data and use the search filter to find specific information. They also have the ability to download individual documents or export all records in PDF and XLSX formats. Additionally, in PAMB Database they can view who created each record using the view creator feature, which improves accountability and transparency across all data entries. **\*Note: Before clicking the clear all data button, please ensure that you create a backup by downloading all records and inform the users of the database beforehand.**

## Delete User Account

The Admin has the authority to manage all user accounts within the system, including reviewing and making necessary changes. If required, the Admin can easily and efficiently delete existing accounts to maintain security or perform system maintenance.
